★★★★☆ **Cheaply made. Do not recommend.**

Arrived in a clear bag, no Amazon box or common white/grey bag. Luckily it wasn't stolen, I live in an apt but I very cheaply made. Threads already pulled out and I just received them. Should've read reviews before purchasing as I'll probs wear them out in a month. However, they are super comfy. Do not recommend this vendor.

they take a while to arrive, but are so worth it! I didn't read that they come with socks so that was a nice surprise, and the socks are cute too! I wear these a little too much but they are holding up nicely

These were only worn a few times and inside only. Falling apart! Sending back. I saw someone the other day returning a pair of these and the guy at the Amazon return desk said he has seen a lot of the smiley face slippers being returned. I know there are different vendors selling these, but I'm sure they all come from the same distributor.
